

# Business Manager's Message

Brothers and Sisters,

Once again the Holiday Season is upon us. I hope that everyone has the chance to celebrate the Holiday's with family and friends. I look forward to hosting the Christmas parties that the Local will be putting on, starting with the Retiree's Party on December 1<sup>st</sup>. The Kids party is always a fun event and will once again have a special visit from Santa himself. This party will be on Saturday, December 8<sup>th</sup>. More details on these two events are included elsewhere in this letter. Going along with the Season and the Spirit of giving, I would ask that we all take the opportunity to help those that are less fortunate than ourselves and donate to the "Utah Labor Community Services" food pantry. Any unexpired food items or cash donations will gladly be accepted at any of the upcoming events as well as the combined Unit meeting on December 5<sup>th</sup>. We will also be happy to deliver any donations that you would like to drop off at the Union Hall. I will thank you in advance for your generosity. I would also like to ask the members of this great Local to look around for any of our members that might need a little help in providing a Merry Christmas to their own families. I will take nominations for the Local 354 Sub for Santa over the next couple of weeks. Please have any nominations in by the 10<sup>th</sup> of December.

In contrast to the usual winter construction trends, I think that we will be seeing a lot of calls coming into the Hall throughout the next couple of months. I am being told that the work at the "Steeplechase Data Center" is about to kick into high gear. We have some more projects that will be starting to pick up as we start the new year. I am very confident in saying that 2019 is going to be a busy year for Local 354.

This time of year provides us all the opportunity to reflect on what is happening around us and I would be remiss if I didn't take the time to thank you all for allowing me the great honor as serving as your Business Manager. The chance to represent all of the wonderful people that make up this Local is truly an Honor.

Respectfully,

Russell Lamoreaux  
Business Manager
